

Liquidity Services to Co-Sponsor and Attend the Supply Chain Innovation Summit 2017

May 25, 2017

Shanghai-Based Executives to Participate in Strategic and Practical Conference that will Address Challenges and Opportunities in Digitalization

SHANGHAI--(BUSINESS WIRE)--May 25, 2017-- [Liquidity Services](#) (NASDAQ: LQDT), a global solution provider in the reverse supply chain with the world's largest marketplace for business surplus, announced today that it will co-sponsor and attend the [Supply Chain Innovation Summit 2017](#), a meeting for more than 400 supply chain and logistics professionals from leading global companies around the world that will be held in Shanghai, China May 25 - 26, 2017. Executives from the company's Shanghai office will be on hand to network and learn more about the latest in global supply chain trends, practice innovations, digitalization, end-to-end visibility, customer centricity, product individualization and emerging technologies in the areas of "big data" and artificial intelligence.

"We are pleased to participate in this year's Supply Chain Innovation Summit," said Hugh Yu, vice president of sales and business development for the Asia-Pacific region of Liquidity Services' Capital Assets Group. "Organizational supply chains are becoming more complex and globally connected than ever before. Digitalization remains a hot topic, which is increasingly important for Fortune 1000 companies as they seek ways to create more central visibility for their data and processes. Liquidity Services' team will be on hand to dialog with attendees about their challenges and help them understand how Liquidity Services' e-commerce marketplace solutions – including our new, mobile-first platform -- that will help them better manage, value and sell their surplus assets on a global scale."

In China, Liquidity Services operates [GoIndustry DoveBid](#), a global e-commerce marketplace that connects buyers and sellers of more than 500 categories of surplus business assets in six vertical markets – industrial manufacturing, biopharma/healthcare, electronic manufacturing, fast moving consumer goods, IT/networking and mining/construction. Visit <http://www.go-dove.com/zh/> to become a registered member or review upcoming auctions and private treaty sales.
