Paso Robles Joint Unified School District offering a packaged industrial size swimming pool to the public

PASO ROBLES, Calif., April 29, 2022 (GLOBE NEWSWIRE) -- [The Paso Robles Joint Unified School District](#) is currently offering a Myrtha competition size warm up pool for sale on [GovDeals](#), a leading online auction platform for government agencies and educational institutions to sell their surplus equipment.

For more than 60 years, [Myrtha Pools](#), a world leading commercial pool manufacturer, has been providing state of the art, customizable aquatic attractions to a world-wide consumer base. Myrtha Pools is the Olympic standard for swimming and other aquatic sports; and guarantees its customers sound structural designs.

The unused industrial size [Myrtha Pool](#) is a competition size warm up pool that was purchased new by the school district in 2018, but never put into service. The pool is currently at auction until Friday May 20th and is being sold with its original packaging and the following features:

- freestanding 25yd x 65' structure with depth from 3'6" to 5'.
- competition gutters
- all waterproofing elements and accessories
- a Myrtha Pool warranty

"The pool does require a separately furnished or already installed foundation system, plumbing, mechanical systems, and deck, plus safety accessories to function as a complete package permissible within California or elsewhere in the US," says a Paso Robles Joint Unified District Representative. "Since we couldn't put this pool to use, we're hopeful that the next owner will be able to utilize this amazing pool." GovDeals supports its seller's sustainability goals by helping them extend the life of their assets, with a focus on zero waste through reuse and recycling.
