

The Village of Roseville, OH Offering Two Commercial Lots for Sale to the Public on GovDeals

March 28, 2023

The available parcels are currently at auction until May 8th

ROSEVILLE, Ohio, March 28, 2023 (GLOBE NEWSWIRE) -- The Village of Roseville, OH is currently offering two commercial lots for sale on [GovDeals](#), the leading online marketplace for government agencies and educational institutions to sell surplus assets. The sale includes lots located at [83 N Main Street](#) and [48 Potters Lane](#) and bids are currently being accepted for both properties.

The smaller parcel, [83 N Main Street](#), contains 0.062 acres of vacant land. The property is a corner lot within walking distance of a church and residential neighborhood.

The larger plot, [48 Potters Lane](#), is an L1-Front lot Entry parcel consisting of 0.254 acres. This property is the former location of Cookson Pottery, and the parcel will be sold with concrete slabs, pipes, and bricks where the kiln was previously held.

"After continued growth in the real estate market, more local governments are turning to GovDeals to assist them in selling their real estate on an online platform," says Lisa Callaway, account manager for GovDeals. By choosing to sell its surplus real estate on GovDeals, Roseville can offer its real estate and real property to more than 5 million qualified buyers worldwide.

Interested parties are encouraged to schedule an appointment to view the properties prior to placing a bid. To participate in these auctions, potential buyers must first create an account and complete the free registration form. New bidder registration can be completed at [GovDeals.com/Register](#).

If your government agency or educational institution has property to sell or is interested in offering your surplus items to qualified buyers around the world, please visit [GovDeals.com/BecomeASeller](#) to learn more.

About GovDeals

[GovDeals](#) is the world's leading marketplace for surplus government and educational assets, ranging from heavy equipment and transportation to industrial machinery and real estate. The platform specializes in surplus disposition technology, partnering with government agencies and related entities to sell "as is, where is" surplus equipment and materials in a transparent fashion. Sellers can directly launch and manage their listings in just days with more control and lower fees than traditional auction solutions. Buyers have direct access to all the surplus assets across Liquidity Services' network of marketplaces in one centralized location. GovDeals is powered by Liquidity Services (NASDAQ:LQDT), one of the most experienced and trusted companies supporting millions of customers in the circular economy across the globe.
