

## **Leading Silicon Coating Manufacturer to Sell Fully Equipped Pressure-Sensitive Release Liner Manufacturing Plant on AllSurplus Marketplace**

August 28, 2025

BETHESDA, Md., Aug. 28, 2025 (GLOBE NEWSWIRE) -- Liquidity Services (NASDAQ: LQDT), a leading global commerce company powering the circular economy, today announced the sale of a fully equipped pressure-sensitive release liner manufacturing plant located in Eden, North Carolina. The sale is being conducted in conjunction with Perry Equipment Company and Mark One Machinery via a make offer format on AllSurplus, the leading online marketplace for surplus business assets.

"This sale represents a unique opportunity for manufacturers in the label, tape, medical, and industrial sectors to acquire a turnkey coating and converting operation," said Chris Register, VP, Corporate Services at Liquidity Services. "With major systems installed as recently as 2023, the facility offers modern capabilities and immediate production potential."

The offering includes extrusion and gravure coating lines, slitter rewinders, flexographic printing, robotic roll handling and wrapping systems, mobile material-handling equipment, core cutters, storage silos, air compressors, and a well-equipped maintenance shop. The plant remains installed and in good condition, designed for the production of silicone-coated paper and film liners.
