

## **AllSurplus to Sell Unused 26.28 MW Total Capacity DRUPS System**

September 2, 2025

### **Two high-capacity (13.14 MW) DRUPS systems available immediately via Negotiated Sale**

BETHESDA, Md., Sept. 02, 2025 (GLOBE NEWSWIRE) -- Liquidity Services (NASDAQ: LQDT), a leading global commerce company powering the circular economy, today announced the offering of two high-value (13.14 MW Each) DRUPS (Diesel Rotary Uninterruptible Power Supply) systems from a Large Data Storage Manufacturer in California. The assets are currently available on [AllSurplus.com](https://www.allsurplus.com), the leading online marketplace for surplus business assets.

"This sale presents a rare opportunity for new data centers, semiconductor, pharmaceutical and critical infrastructure operators to immediately acquire a premium DRUPS system," said John Ward, Liquidity Services Vice President. "These units are ideal for facilities seeking guaranteed backup power solutions without the long lead times from the manufacturer. HITEC is the global leader in this space, and their power solutions are second to none."

The event includes two New/Unused HITEC PowerPRO 2700 Dynamic Rotary Uninterruptible Power Systems, Total Power 26.28 MW Capacity, with Complete Switchgear/Transformer Distribution System, Sound Suppression Enclosures and BAAQMD Tier 4 Environmental Control Systems.
