

Liquidity Services to Serve as Official Remarketer for Refurbished Acer Products

September 19, 2012

WASHINGTON--(BUSINESS WIRE)--Sep. 19, 2012-- Liquidity Services, Inc. (NASDAQ: LQDT), the leading reverse supply chain solution for retailers and manufacturers, today announced an alliance with Acer America, the world's third largest PC maker, to market refurbished Acer products including notebooks, netbooks, tablets, monitors, and desktop computers in the United States.

Liquidity Services will serve as the principal remarketer of refurbished Acer products and will leverage its base of more than 2.1 million business, national and local retail, and consumer buyers through its network of sales channels including: Liquidation.com (www.Liquidation.com), where buyers can purchase bulk lots; Liquidation.com DIRECT, where buyers can purchase truckloads of inventory; and Secondipity (www.Secondipity.com), a consumer marketplace. Additionally, Liquidity Services will operate and provide marketing, buyer support, and fulfillment services for Acer's official eBay store (stores.ebay.com/Acer), as well as other consumer marketplaces.

"Liquidity Services provides unmatched transparency and innovative solutions for remarketing goods in the secondary marketplace," said Joyce Cruts, Senior Manager of Returns Management, Acer America. "By aligning with a single point of contact for refurbished products, we'll provide a high-quality, consistent customer experience."

"Acer has a clear and impressive understanding of how refurbished goods in the secondary market can impact the overall brand and pricing strategies for a business," said Cayce Roy, President of Liquidity Services' Retail Supply Chain Group. "More importantly, Acer's supply chain team values sustainable solutions that contribute to positive corporate results. We are happy to be in a position to uniquely support Acer to achieve these remarketing objectives."
