

Liquidity Services Conducting Auction for Bottling Equipment from PepsiCo

May 14, 2014

Bidding open at Liquidity Services' online marketplace www.Go-Dove.com for array of surplus bottle filling and packaging equipment from across Europe

LONDON--(BUSINESS WIRE)--May 14, 2014-- Liquidity Services, Inc., a global solutions provider in the reverse supply chain with the leading online marketplace for business surplus, is conducting an online auction for PET bottle blowing, filling, and packaging equipment no longer needed by PepsiCo in Europe. This sale features a diverse array of lots available as a whole or as individual machines. This includes: complete AVE ultra-clean bottling filling line with dosing systems (line capacity from 8,000 to 12,000 bph, bottle range capacity from 250ml - 1ltr bottles), as well as a PET bottling filling and packing line (capacity of up to 8,000 bph). These surplus assets will be sold via Liquidity Services' online marketplace, www.Go-Dove.com.

Bidding is open and closes May 22nd at 12 pm BST (4 am PDT). Potential bidders can register for the auction event and place bids at <https://international.go-dove.com/en/event-18625>.

"This sale is a tremendous opportunity for businesses to acquire surplus bottling equipment ready for operation from a Global 500 company," said Nick Taylor, Vice President of Global Valuations and Sales for Liquidity Services' Capital Assets Group. "Liquidity Services is pleased to partner with PepsiCo to streamline surplus asset sales processes, enhancing its environmental sustainability by extending the life of surplus assets and increasing recovery on otherwise idle equipment."
