

Liquidity Services Chief Information Officer Leoncio Casusol Named to 2015 HITEC 100 Most Influential Hispanics in IT

August 3, 2015

WASHINGTON--(BUSINESS WIRE)--Aug. 3, 2015-- Liquidity Services (NASDAQ: LQDT), a global solution provider in the reverse supply chain with the world's largest marketplace for business surplus, is pleased to announce that its Chief Information Officer, Leoncio Casusol, has been named to the 2015 Hispanic IT Executive Council's (HITEC) list of the top 100 influential and notable Hispanic professionals in the information technology industry. Candidates were judged on their achievement levels, scope of responsibility and the positions they hold within their companies. Results were released in the July/August issue of *Hispanic Executive*.

"We applaud Leo's repeat selection as one of the top Hispanic IT leaders in the country," said Bill Angrick, Chairman and CEO of Liquidity Services. "He is a very action-oriented executive who thoroughly understands our clients and customers. Under Leo's leadership our IT organization has partnered with our business leaders to improve and optimize the company's operations, services and technology platforms to enhance customer satisfaction and support long-term growth. These ongoing investments under our LiquidityOne transformation initiative will drive exciting innovations for our company and the reverse supply chain industry."

A native of Peru, Leo holds a bachelor's degree in systems engineering from Santa Maria Catholic University of Arequipa and a master's degree in economics and management from San Agustin University of Arequipa. He is also certified in industrial automation by TECSUP.
